

Post: Teacher of Science (Chemistry or Physics specialism preferred)
Scale: MPS/UPS

Please complete the application form and, instead of completing the Additional Information section, produce a piece of work (no more than two sides of A4 size paper) in support of your application focusing on:

- ***What you feel in your career so far has prepared you for the role of Teacher of Science at our school?***

The piece of work should be clear, concise, accurately written and make it clear how you meet the job description, personnel specification and reflect the information available to you.

Closing Date: 9.00am Monday 29 January 2018

Please return all applications to:

Jane Collett
HR Manager
col@titussaltschool.co.uk

Selection Process: Monday 29 January 2018

Candidates' applications judged against application form and response to question.

Interview Date: w/c 29 January 2018

The interview day will include opportunities for you to meet a variety of relevant staff, teach a short lesson, tour the school and talk to pupils. The final selection will take into consideration your written application, participation on the interview day and references.

We look forward to receiving your application.
