Dear Parent/Carer

Bradford NHS Health Related Careers Event

On **Wednesday 18 October** Sixth Form Health and Social Care Learners have the opportunity to attend a large health event at Bradford City Football Club organised by the NHS.

The event is in the form of a fair with 25+ stalls on health related topics, many more stalls with representatives from a wide range of health related careers, opportunities to work as a volunteer to support University and Apprenticeship applications and opportunities to receive basic First Aid training. Around 400 learners from schools across the Bradford area will be at each session.

Your child can choose to attend between 10.00am and 12.00noon **or** between 1.00pm and 3.00pm. The event is open to all Sixth Form Health and Social Care Learners, as long as they have permission to be out of lessons if they should be in other subjects. Learners who do not take Health and Social Care but have a genuine interest in a health related career may attend as long as I have their name in advance and as long as they are not missing lessons.

Your son/daughter will need to make their own way to the venue and meet myself at the main door. They will sign out with me when they leave to make their own way home or back to school.

If you would like your child to attend, please complete and return the reply slip below to Pupil Services by **Wednesday 11 October**.

Yours sincerely

Mrs G Latham
Subject Leader - Health and Social Care
