

2 October 2017

Dear Parent/Carer

Steps to Success Evening – Year 11

We would like to invite you to attend our Steps to Success evening on **Tuesday 10 October from 6.00-7.30pm**. The evening focuses on support available for GCSE English and Maths. Free resources will be available and an outline of the new GCSE courses and linear exams. **The Steps to Success Evening is for parents and carers only, so pupils need not attend.**

At this important time, parents/carers and teachers are all doing as much as possible to support and motivate our pupils to attain a **minimum of grade 5** (this is the equivalent of an high grade C in the old specifications) in these two key subjects, as we understand how crucial they are for further study and job opportunities.

The two 45 minute sessions will be delivered by Ms Chillington (English) and Mr Sendrove (Maths) who have both previously supported parents and carers in making a considerable difference to pupils English and Maths GCSE results. Presentations are repeated to allow all attendees to go to both sessions. The emphasis will be on providing you with key information and tips for your child's successful revision schedule and there will be opportunities for questions and discussion.

English Presentations – 6:00pm & 6:45pm in EN08/09
Maths presentations – 6:00pm & 6:45pm in BS02/03

We would be most grateful if you could complete the slip below and return to Pupil Services; this will allow us to plan effectively for a successful event and provide sufficient refreshments.

Please don't hesitate to contact Mrs Oates or Mr Parrish if you would like further details regarding our Steps to Success Evening.

Yours sincerely

Richard Foster
Deputy Headteacher
