

Jenny Woodward

Q) What did you study at TSS?

I left after my GCSEs and went on to Leeds College of Art and Design.

Q) What are you doing now?

I am a second year Fine Art student at Loughborough University. I love my degree and the extra activities available: in September I'm climbing Mount Kilimanjaro for the Meningitis Research Foundation.

Q) Can you share a couple of fond memories of your time at TSS?

Coniston Camp on my 14th birthday was amazing; I took home memories I will never forget.

Q) What advice would you pass on to current students?

School plays a big part in building who you are, so enjoy yourself.
