

In School Training Programme

Professional Development Opportunities

Course Title:

**Key Stage 3 & 4 English – Head of English:
Evaluation, progression and future
planning**

Course Detail:

Aimed at established, new or aspiring Heads of Department, you will gain the skills to evaluate effectively, monitor progression and confidently plan for the future of your department. You will consider the nature of inspirational leadership and planning. You'll get crucial information about using data effectively to ensure an 'Ofsted' ready department and how to construct a meaningful and effective development plan.

- Get the skills to evaluate a department and lead it successfully
- Learn how best to monitor progression and how to use data effectively
- Get equipped to lead through Ofsted and future challenges
- Understand what inspirational leaders do.
