

Press Release: 18th August 2016

Titus Salt School celebrates best ever A-level results

Titus Salt School is celebrating its best ever A-level results this Summer.

Headlines include:

- **over 53% of entries were awarded A*, A or B at A-level** with very strong performance in STEM subjects;
- the **majority of subject entries secured grades in the top national 25%**;
- just under **10% of the year group scored grade A* or A in every A-level** subject they took; and
- nearly one in five students **scored grade A*, A or a B in every A-level** subject; and
- nearly 90% of vocational entries were awarded the top grades of Distinction* or a Distinction.

Headteacher Ian Morrel said, "We are ambitious for Titus Salt School students to achieve at the highest standard. I am delighted so many students have attained high grades and can progress to University, an apprenticeship or further training. We expect every student will secure the place they wanted. I am grateful for the support from parents and the hardwork and commitment from staff."
